ACCESSORIES AVAILABLE

Stack & Nest Containers are the perfect, re-usable and stackable containers designed to maximise space and assist with the display, storage and transport of valuable stock. They are available in a size to suit your requirements.

STACK BINS FEATURES

- Stack and nest - Coloured bins are non-toxic storage bins designed for ease of handling
- Can be used stacked or mounted on louvre panels, bench racks, trolleys or carousels
- Can be nested to save up to 70% of the used space during transport or storage
- Large open front area for easy access, with moulded-in card holder
- Curved edges and smooth internal features making bins easy to clean

CABINETS

Emrack all-purpose cabinets are the most efficient and economical solution to solve your exact storage needs. Emrack cabinets provide secure storage for your valuable parts and tools.

Emrack cabinets are completely assembled, ready to use and also include plastic bins.
